

Why Pay More?

EUROPEAN QUALITY

UNBEATABLE PRICES AFFORDABLE SPARES & SERVICE

Serving Pakistan,
SE Asia, Middle East,
East Africa, Indian Ocean

Your Benefits

- ✓ 40–50% Lower Prices than Global Brands
- ✓ Energy Savings through Standard VSD & Permanent Magnet Motors
- ✓ Transparent Warranties
- ✓ Economically Priced Spare Parts
- ✓ Fast Deliveries
- ✓ 45 Years of Service Expertise
- ✓ Expert Compressed Air System
- ✓ Design and Engineering
- ✓ Expert System Selection based on Plant Needs

Backed By Rastgar Group

- ✓ Over 5,000 Installations
- ✓ 45 Years in Compressed Air Solutions
- ✓ Former Representatives of ALUP, BOGE, CompAir and Gardner Denver

**Reliable Solutions.
Unbeatable Value.
Unmatched Service.**

From 7.5–560 kW Screw Compressors to High-Pressure Models, Nitrogen/Oxygen Plants, and Portable Diesel Units—SKY covers all your compressed air needs.

SKY Solutions To Your Pain Points

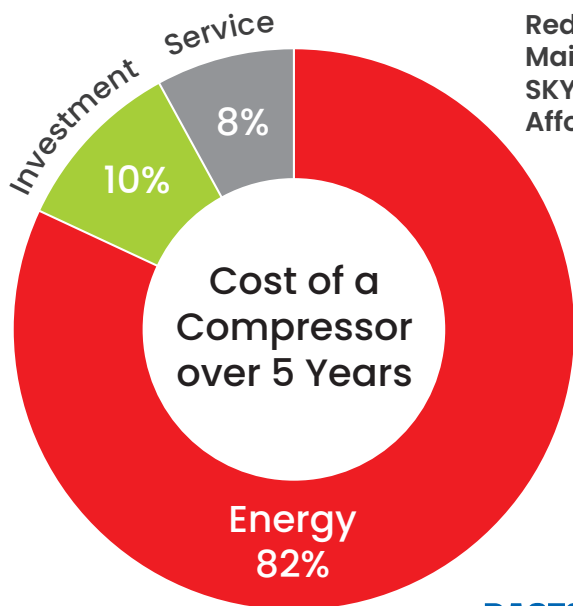

Your Pain Points	SKY Solutions	
High Energy Costs.	Standard VSD & Permanent Magnet Motors for optimal energy efficiency, reducing your electricity bills.	✓
Frequent Downtime & Maintenance.	Reliable, high-quality European-engineered compressors with robust construction, supported by our reliable aftermarket service.	✓
Expensive Spare Parts & Long Lead Times.	Economically priced spare parts and fast deliveries to minimize downtime and keep your operations running smoothly.	✓
Inconsistent Air Quality impacting product quality.	Comprehensive range of refrigerated & desiccant dryers and nitrogen/oxygen generators, ensuring clean and dry air for your processes.	✓
Inefficient compressed air system design and layout.	Expert design services for compressed air system engineering, piping layout according to ISO standards, and aluminum piping solutions for optimized performance.	✓
Lack of visibility on compressed air consumption and costs.	Compressed air monitoring equipment to track usage and apportion costs accurately.	✓
Improper installation and commissioning leading to performance issues.	Expert commissioning services and supervision of installation, ensuring seamless operation.	✓
Suboptimal compressor room design and layout.	Compressor room design and equipment layout with detailed drawings, maximizing efficiency and safety.	✓
Incorrect compressed air system selection for specific plant needs.	Expert system selection based on plant consumption, operational hours, and downstream equipment requirements.	✓
Improper downstream equipment selection leading to air quality issues.	Downstream equipment selection based on specific compressed air quality requirements.	✓
Unpredictable service and support.	45 years of service expertise, transparent warranties, and a dedicated support team ensure your peace of mind.	✓

European Technology. Local Service. Global Reach.

SKY Product Range

- ✓ Screw Air Compressors (7.5kW - 560kW)
- ✓ Two Stage Rotary Screw Compressors
- ✓ High-Pressure Compressors
- ✓ Portable Engine-Driven Compressors
- ✓ Aluminum Piping Systems
- ✓ Refrigerant & Desiccant Dryers
- ✓ Line Filters
- ✓ Air Receivers
- ✓ On-Site Oxygen & Nitrogen Generators

Reduce your Energy & Maintenance Bills with SKY VSD Technology and Affordable parts and service.

- ✓ Affordable Prices
- ✓ Efficient Parts & Service
- ✓ Fast Delivery
- ✓ Expert Support

RASTGAR
GROUP

Building The Future With
SKY Air Compressors

Available Across Pakistan &
Export Regions

German Quality At Half Price

Two-stage Permanent Magnet Variable Speed SK-APMII Series

Product Features

- ✓ Getting more compressed at the same power consumption.
- ✓ Two-stage compression air end, increase the efficiency 8% on average.
- ✓ Super IE4 class, SF1.2-1.35 service factor, 97% high-efficiency energy-saving PM motor, ensure trouble-free in all weather conditions.
- ✓ Excellent oil air separation performance, outlet oil content is less than 2 ppm.
- ✓ Silent centrifugal fan, stroger wind pressure reduce the probability of heat exchanger failure.

Lower Power Consumption, Higher Air Capacity.

Technical Parameters

Model	Air Delivery (m ³ /min)				Power (kW)	Noise dB(A)	Outlet diameter	Dimension (mm)	Weight (Kg)
